Dual Career for young athletes

Young athletes aged 14 to 19 years old

Co-funded by the European Union

Funded by the European Union. Views and opinions expressed are however, those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

Objective #1

- promoting collaboration and enabling organizational changes focused on the common needs of young athletes at the level of **6 partner organizations** through the 3-part research, the development of **20 new MOOC** educational contents, and **1 digital web platform** as a networking site.

Objective #2

- strengthening dual careers for at least **180 young athletes aged 14 to 19** through a digital self-assessment of their inclinations and preferences regarding education, employment, and sports career, as well as acquiring transferable skills that will ensure easier employability after the end of their sports career.

Objective #3

- supporting quality education at the international level but also wider on transferable skills for the labor market adapted to young athletes aged 14 to 19 through **new OER educational contents**.
